800 mL<sup>1</sup> Ink Pack

## Weight and Dimensions (W x D x H)

Master Pack Dimensions: 16.5" x 15.5" x 8.5"

Master Pack Weight: 27.5 lb

Master Pack Quantity: 12

## 1.5 L<sup>1</sup> Ink Pack

Master Pack Dimensions: 17" x 15" x 6.5"

Master Pack Weight: 25.5 lb

Master Pack Quantity: 6

This product uses only genuine Epson-brand ink packs. Other brands of ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

**1** Part of the ink from the first cartridges/packs is used for initializing the printer. Ink usage will vary considerably based on images printed, print settings, paper type, frequency of use, temperature and humidity. Variance may be more pronounced when printing infrequently or predominantly with one ink color. Ink is used for printing and printer maintenance, and all colors must be available for printing. For print quality, a variable amount of ink remains after the "replace ink" indicator comes on. **2** Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. **3** Geographic limitations may apply. Service request must be received and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. See individual service plan for details. **4** Customer must sign up for an Epson Cloud Solution PORT® account to utilize this plan. All features of this system require an active Internet connection and the use of a supported browser. Available for select models only. See extended service plan for details.
