GF QUICK-SPLIT™
1.25" SCORED LINER

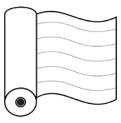
Unique Features:

- Universal 1.25" Spaced Score Lines
- Easily "Cracks" for Quick Release
- Allows for Faster, Easier Installation
- Great for Stickers and Decals
- Available in Sheets and Rolls

Quick-Split™ Scored Liner is a liner technology engineered to streamline installation, enabling faster, easier application of stickers, decals, window graphics, and point-of-purchase (POP) displays. Featuring a universal 1.25-inch score pattern and clearly indicated Score Line Direction (SLD), the 84# / 135 gsm liner "cracks" cleanly for fast separation, supporting smoother handling and more accurate graphic placement. Compatible across multiple print platforms and ink technologies, GF offers Quick-Split™ Scored Liner in wide-format media, Narrow Format Digital (NFD) and Screen & Offset sheets. Custom sizes are also available in sheets and rolls to support diverse production needs.

Applications:

- Stickers
- Decals
- Window Graphics
- Point-of-Purchase Displays



IF SHEETED, THE SCORE DIRECTION ON THE LINER IS INDICATED BY THE SLD (SCORE LINE DIRECTION) OR LAST DIMENSION OF THE SHEET SIZE.
